Certificate IV in Music Industry (Performance)

About this course:

Are you ready to learn more about the music industry, write your own songs, and perform? Then this course is for you!

Certificate IV in Music Industry (Performance) brings together talented musicians who are wanting to expand their musical knowledge and apply these skills to their performance.

All students in this course will be involved in recording, performance and film clip making, and will work together on group projects. The focus is on experiencing as many creative and performance outcomes as possible.

LMA/Circuit Time Records Performances:

Minimum of 15 performances.

Students will participate in a range of events throughout the duration of the course including one family and friends' night per term (4 x 3 hours).

Structured Work Placement:

Yes, 60 hours required for assessment - to be negotiated with each participant. Participants will choose an area of interest within the music / entertainment / technology industry and attend the equivalent of two week's work experience.
